Jesus Begins Work in Galilee

The Gospel this week tells us of the time Jesus first began his ministry. He moved from Nazareth to Capernaum thereby fulfilling Isaiah's prophecy. This marked a new beginning in Jesus' life that would lead to Him being recognised by everyone as the Son of God.

Sainsbury's Active Kids

It's that time of year again, please send in any Sainsbury's Active Kids vouchers you may collect. The box will be outside Class 9 as usual so please ask your children to drop them in the box or give them to their teacher.

Collecting Children

Please continue to pick up your children promptly as the staff in school still have lots of work to do after school finishes and cannot get on with their planning and preparation for the following day until all the children have been collected.

School Photos

The proofs of the photos are back already! If you would like to purchase the photos, you need to return the envelope and money by Monday 6th February at the latest!

Parent Surveys

The parent surveys are still coming in. If you have not done so, please take the time to fill in and return your survey to the school by Friday 3rd February.

Miss Khanom's Coffee Morning

Miss Khanom's Coffee Morning will go ahead as normal next week. If there are any particular topics you would like advice on, or visitors you would like to meet, for example we have had health visitors, e-safety talks, please speak to Miss Khanom and she will try to arrange for the visitor to come in.

Important Visitors

Last week we had two very important visitors to the school. Dani Wade, Head of School Improvement in Newham and Jane Moon, the Deputy Director of Education in Newham. Both were very impressed by the school and the children using words such as 'Amazing', 'Excellent' and 'Wonderful' to describe what they saw! Well done everyone.

Reception Parents

Last Friday our Reception parents spent the day in school with their children, watching their assembly, having snacks, taking part in lessons, having lunch and watching presentations on how their children may be helped to learn to read and grow confident in Mathematics. We are still going through the feedback forms but the general impression is that the parents thought it was a very worthwhile exercise and was greatly appreciated.

Arcelor Mittel Orbit Slide

Four of our members of staff, Ms Pree, Miss Grima, Mr Harris and Mr Savin, were invited to try out the slide at the Arcelor Mittel Orbit on Wednesday. It was marvellous fun and we are now looking to see if we will be able to take some of the children on a trip to the orbit. Keep your eyes peeled for any information!

This Week's Prayer

Please join with your children in saying this prayer;

Dear Father,

Thank you for sending your Son. Help us to be witnesses so that others will come to know his love as we do. In Jesus' name we pray. Amen.

God Bless You,

Mr Underwood⁹⁹
