Headteacher: Mr Paul Underwood

Summer No. 7
7th July 2017

School Fete

It would be impossible to start this week's newsletter without mentioning the fete! It was a gloriously sunny day and we are sure that the children enjoyed themselves tremendously. The Dunk Tank seemed to be the star attraction with a long queue snaking around the playground, just for the chance of dropping the teachers and Year 6s into the water. You can be sure that it will be making a return next year. We have already had a meeting to discuss what went well and how it may be made even better next year and the Feat Organising Team will be given all of the information to help them out. We would like to thank all of the parents, carers and members of staff who

helped out on the day and in the weeks leading up to the event. Mrs Brosnan has written personally to all those parents/carers who signed up to help to thank them for their support. If you volunteered on the day it may be possible that you did not receive a letter. Please be assured we are extremely grateful to everyone who helped out on the day!

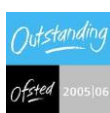

It would be totally remiss of us not to give a special and heartily well-deserved thank you to **Mrs Brosnan**. She managed to cajole and encourage everyone into providing the children with a spectacular fete that was not only great fun for them but managed to break the record for the amount of money raised for the school. Money is still coming in and it looks like at the final count we will have raised over £2000. So well done Mrs Brosnan and her team!

International Week

While we are thanking people a really huge thank you to Miss Grima for organising International Week. The food tasting is tonight straight after school so pop in for a bite to eat! Also thank you to Mr McGinty for arranging the Flamenco Workshop, you can still hear the sound of castanets in the dinner hall! A huge thank you to the hosts of the International Week Assembly, John and Elsa you were absolute stars, thank you so much for making the show go so well!

School Finishes at 1:30pm on Tuesday 18th July 2017

Free School Meals

Following the letter sent out to all of the parent/carers earlier this week we would like to remind you that it is **Absolutely Vital** that you take the time to go to the following link: <https://pps.lgfl.org.uk> to see if you do qualify for Free School Meals (FSM). If you do not qualify you WILL have to pay for your children's meals from September, if they are in Year 3 or above. You only have to register once and it will cover your child for their entire time at St Winefride's (it lasts roughly five or six years but is liable to change) so it is well worth doing. We also receive extra funding called Pupil Premium, which may only be spent on those children who qualify for it, so the more applicants the better for both you financially and the children.

Summer Bible Event

Children Ages: 5 to 12 years old

PROGRAMME

Schedule with activities, songs, puppet show, crafts and lessons; Also the children will receive a healthy snack.

25-28 July, From 1- 5pm

New football Academy

Our good friend Mr Pernice from Avenue School is holding an open day for all Year 1 and 2 children at Langdon Academy on Saturday 15th July 2017. All children in classes 3, 4 and 5 have been given a leaflet about the event.

Please go along if you love playing football, this is for both boys and girls!
