

Summer No. 8
14th July 2017

SATS Results

As the Summer Holidays draw ever nearer we would like to share with you the simply outstanding SATs results achieved by the Year 6 children. The charts below show two comparative figures each: the children who reached the 'Expected Level'; and the children who be reached a 'Higher Level'. As can be seen the children outperformed the national average in every area. We are immensely proud of them and would like to thank the children themselves, but also their parents/carers, older siblings, aunts and uncles and anyone else who may have helped and guided them through the years. It almost goes without saying that a massive thank you is deserved by all the teachers and staff at St Winefride's for helping and guiding the children during their time here. So as a farewell to the Year 6s here are the rather impressive scores!

School Finishes at 1:30pm on Tuesday 18th July 2017

Free School Meals

Following the second letter sent out to all of the parent/carers earlier this week we would like to remind you that although it now appears that all primary school children will receive a free school meal, it is still **Absolutely Vital** that you take the time to go to the following link: <https://pps.lgfl.org.uk> to see if you do qualify for Free School Meals (FSM) or Pupil Premium. You only have to register once and it will cover your child for their entire time at St Winefride's (it lasts roughly five or six years but is liable to change) so it is well worth doing. We also receive extra funding called Pupil Premium, which may only be spent on those children who qualify for it, so the more applicants the better for both you financially and the children.

Cashless Payment System

Please take the time to respond to the text message that you received about this system. ALL payments (except charity donations) to the school will only be possible by using this system from September 2017. If you did not receive a message asking you to log in to your page on the website please contact the office with your mobile number so that they may update the records.

Cancer Research Race for Life

Don't forget to bring in your Race for Life donations on Monday! Please donate as much as you can and ask as many family members and friends, far and wide to sponsor you!

End of Year Reminders

Just a few reminders to end the year:

- 📦 Please return any money for the Race for Life by Monday.
- 📦 Monday 1:30pm Year 6 Leavers Performance
- 📦 Tuesday 10:00am Annual Prize Day
- 📦 Tuesday **1:30pm SCHOOL FINISHES For the Summer Break!**
- 📦 Don't forget all the events arranged by Newham during the summer, including the Library competition!
- 📦 Newham City Farm are also hosting open days during the break.
- 📦 **RETURN TO SCHOOL MONDAY 4TH SEPTEMBER 2017 at 8:55am**

Have a Wonderful Summer

It only remains for me to wish you all a wonderful, peaceful and relaxing summer and everyone here at St Winefride's are already looking forward to welcoming the children back in September, while wishing the Year 6s good luck in their new schools, see you in September!

*God Bless You,
Mr Underwood*
