## This Week's Gospel (Mark 1:29-39)

Mark told us in his Gospel how Jesus went to Simon's house and while he was there helped Simon's mother in law, who had been very ill. When the people of the town heard, they began to bring all those who needed help to see Jesus and he cured them all. The next day, although there were still people waiting to see Him, Jesus left to go to another town as He wanted to preach to and heal as many people as He could. Just as Jesus helped the people of Galilee, so do the staff at St Winefride's help the children to grow as both learners and as people. We are very fortunate to have such dedicated staff who pride themselves on the job they do for your children.

## St Winefride's Icons

When we launched St Winefride's Icons last week it was not our intention to move on to the second Icon quite so quickly. However it was impossible to ignore the claim of our second Icon, Gladys Elphinstone. Gladys, who celebrated her 103<sup>rd</sup> birthday on Tuesday, is we believe the oldest surviving St Winefride's pupil. In the picture you can see Gladys is holding the card that everyone in the school signed for her. She still has wonderful memories of her time at the school and although she was a little bit naughty while she was here all has now been forgiven! Gladys was nominated by Idriss in class 6M, who felt compelled to nominate her after meeting her on Tuesday.

## Night Owls

We were lucky enough to have a visit from Night Owls last week! If you would like your child's photo with the owl, please return the form as soon as possible.

## News Bulletins on SWTV

Please check out our [website](#) to see this, and every, newsletter being presented by the children as a SWTV News production. Just click on the [VIMEO link](#) at the bottom of the homepage. There may be a multi episode coming soon as Mr McAteer has been very busy with Internet Safety Day, among other things!

## Lenten Cafod Appeal

It will soon be time for our annual CAFOD appeal during the Lenten period. Sr Dorothy will be at our assembly on 9<sup>th</sup> February to help launch the event.

## Tennis Icon Breakfast Club

The Booking form for next term's club is attached to this newsletter.

## Cycle Training

The Cycle Training for Year 3 & 4 children took place on Monday and Tuesday and the children did very well. They will be receiving their certificates and badges in assembly this week.

## Before School Clubs

The Before School Clubs have recommenced with the Hockey Club, Archery Club and Fencing Club. There are a small number of vacancies within the clubs so if your child would like to attend one of these clubs please ask them to see Mr Savin who will hand out letters until the vacancies are filled. Please be aware that in the case of very cold or wet weather the outside clubs will not take place.

## Waste Week

The week starting on 5<sup>th</sup> March is Waste Week where we will be making extra efforts to reduce and recycle to help minimise the amount of waste we produce. Speak to your children to see how you too can reduce waste.

## Half Term

Don't forget that next week is the half term holiday! We finish at 3:15pm today (Friday 9<sup>th</sup> February) and return at 8:55am on Monday 19<sup>th</sup>

February.

## Internet Safety Day

As usual we ran lots of interesting lessons based on Internet Safety. If the parents would like a session after half term we would be happy to do so, please let Miss Khanom know and we will hold a session during an upcoming Coffee Morning. In the meantime Cbbc's Own it web page is a great place to start, either follow this link: <https://www.bbc.com/ownit/the-basics/8-tips-for-staying-safe-online> or google: cbbc own it.

## This Week's Prayer

Please join with your children in saying this prayer;

*Dear Father,*

*Jesus taught us how to care for one another.*

*Help us to follow his example and show our love by acts of kindness toward others.*

*In Jesus' name we pray.*

*Amen.*

*God Bless You,*
