Topic News

Geography — 'Seasons':

In this unit, the children will learn about the four seasons, the weather in each season and the months each season falls in.

Art — 'Colours':

In this unit, the children will be investigating the primary colours and the works of different artists, which the children will recreate art in their style.

RE — 'Special People':

In this unit, the children will be learning about the importance of people and their contributions to society and the church.

Science — 'Animals':

In this unit children will be learning about different types of animals including mammals and amphibians. They will also be learning about life cycles of different animals.

PE

Indoor: Dance

Outdoor: Relay Games

Reading

Please continue to read aloud daily with your child as well as filling in their home reading record each week.

Maths:

Please ensure that you practise number bonds with the children so that they understand how numbers join together and how they can be broken down into their component parts.
