## This Week's Gospel (Mark 5:21-43)

This week's Gospel tells us how Peter named Jesus as the Messiah and also how Jesus first predicted his own death. It also includes one of Jesus' most well-known phrases: "Get behind Me, Satan."

He actually says this to Peter, when Peter is rebuking Jesus for saying He is going to die. Why would Jesus say such a thing to His friend? It was of course because Peter was trying to deny the will of God, and even though it seemed to be a terrible thing that was about to

happen, we must remember that God has chosen a path for all of us and we must be true to ourselves and God and do our best to follow it.

## Year 6 Trip to Osmington Bay

The annual Residential Trip is here (almost). The children have been given their final kit list and we are sure that not much sleep will be had on Sunday night! There will be a link on the school website where you will be able to see photos of each day's activities, depending on Wi-Fi connections and equipment working! If you still have some payments to make please call in at the School Office, as soon as possible. We will post on school open check (top right hand side of the website home page) when the children arrive. If your child needs any medication or inhalers etc. please ensure it is packed safely.

## London Fire Brigade

We have been lucky enough to have the London Fire Brigade in talking to the children today, ask them what they have learnt. It may well save your lives!

## Swimming Lessons

The swimming lessons at the Aquatic Centre continue next week, thank you to all the parent/carers for making sure their children are ready to swim and also for collecting them promptly in the afternoon.

## Coffee Morning

Miss Khanom's Coffee Morning will continue next week on Friday. Preparations are already underway for the Macmillan 'World's Biggest Coffee Morning' so pop along and see how you can join in the fun! We are asking for donations of Tea, Coffee, cakes and treats to sell on the day to make money for this wonderful charity. If you are able to help out on the day or to donate any goods, please see Miss Khanom next Friday.

## Asthma Inhalers/Epipens

If your child requires asthma inhaler or Epipen please check that it has not expired. Your doctor will provide you with an inhaler for use at school.

## School Uniform

The School Uniform list is attached to the back of this newsletter. We will begin carrying out uniform inspections from next week. Please ensure that your children are wearing the correct uniform and just as importantly the correct PE kit.

If a child is not wearing the correct uniform they will be given a letter detailing the erroneous items of clothing.

## Before and After School Clubs

The Before and After School Clubs will commence week beginning 24<sup>th</sup> September. Details to follow.

## Collecting Children After School

Please remember to wait for your child's teacher to dismiss them. We would ask you to remain at the side of the playground and wait for your child to walk to you rather than going into the line to take them. Thank you.

## Maths News

The Komodo Maths challenge has been extended by a week! Please log on and see if you can beat the challenge.

All maths homework will now be online at [www.mymaths.co.uk](http://www.mymaths.co.uk). All the children should have received their usernames and passwords, if not please ask your child's teacher for the information. By issuing the homework in this fashion the children will be able to go through a lesson, if they wish, or just go straight to the questions, which will be marked as soon as they complete them. The MyMaths scheme of work will be available to view at next week's Coffee morning.

## Reading Challenge

The Manor Park Library Reading Challenge has been extended to 30<sup>th</sup> September 2018. If you still need to read a couple more books to win a medal you still have time, so pop along to the library and take out a book!

## Black History Month

In just over two weeks' time, we will be celebrating Black History Month once again. In addition to the events we usually put on, such as African Storytelling and the St Winefride's MOBO's we would like our parent/carers to join in with the celebration. If you or a relative have experiences that you would like to share with the children please call in to discuss this with us and we will arrange a suitable time and date for you to share these memories and tales. If any parent/carer has a suggestion of an activity they would like us to provide, again please pop in and let us know. An exciting new event we are planning to attend is a show in Peckham, depending on ticket availability, which was suggested by one of our parent/carers.

Amazingly, despite having been part of the suggested curriculum for 30 years, this year is the first time that the government has produce a resource for primary schools to use in the teaching of Black History Month! We have ordered it and you will soon be seeing, posters and other resources around the school. Mr Savin is particularly delighted that Ian Wright is one of the people selected for the Sporting Heroes section of the resource.

## Celebration Calendar

As part of our continuing celebration calendar we have this week celebrated Roald Dahl Day, next week we have 'Talk like a Pirate Day' and of course we continue to plan for Martin Luther King jnr Day and Nelson Mandela Day. If you would like a day added to the calendar, please contact us at the School Office

## This Week's Prayer

Please join with your children in saying this prayer;

*Heavenly Father, thank you that you loved us so much that you sent your Son to die on a cross. As his disciples, help us to take our cross and follow him. In Jesus' name we pray. Amen.*

*God Bless You,*
