

COVID 19 Update

19th March 2020

School Closures

The Government has now declared all schools are to close on Friday 20th March until further notice for all pupils except children of key workers and the most vulnerable children.

We will receive more information regarding opening for this small number of children today and will keep you informed of any decisions.

Going forward, your children all have online access to their lessons and have been provided with guidance on how to use this. Further guidance for parents/carers on learning from home will be issued today.
